O yeah, all right, take it easy baby, make it last all night  
**G** **A** **D**

Well, it was kinda cold that night  
She stood alone on the balcony  
Yeah she could hear the cars roll by  
Out on fo-foty-one like waves crashin' on the beach

And for one desperate moment there  
He crept back in her memory  
God it's so painful when something that's so close is still so far out of reach

O yeah, all right, take it easy baby, make it last all night  
She was an American girl
