

## IF IT TAKES A LIFETIME

E  
I've been working here  
B7  
Monday, it'll be a year  
E E/G# A  
And I can't recall a day when I didn't wanna disappear  
E B7  
But I keep on showin' up Hell bent on growing up  
A E/B7/E  
If it takes a lifetime Short riff

I'm learnin' how to be alone  
Fall asleep with the TV on  
And I fight the urge to live inside my telephone  
I keep my spirits high Find happiness by and by  
If it takes a lifetime

A  
I got too far from my raisin'  
E  
And I forgot where I come from  
E B7  
And the line between right and wrong was so fine  
E E/G#  
Well I thought the highway loved me  
A E  
But she beat me like a drum  
E B7 A E  
My day will come if it takes a lifetime Extended riff

I don't keep liquor here  
Never cared for wine or beer  
And workin' for the county keeps me pissin' clear  
The nights are dry as dust But I'm lettin' my eyes adjust  
If it takes a lifetime

Repeat Chorus, no riff then

Bridge and solo: F#m C#m F#m A Bsus4 B7

Man is a product of  
All the people that he ever loved  
And it don't make a difference how it ended up  
If I loved you once my friend  
I can do it all over again  
If it takes a lifetime

We got too far from our raisin'  
And we fought till we went numb  
You were running up a mountain in your own mind  
And I thought that I was running to but I was running from  
Oh, our day will come if it takes a lifetime  
Our day will come if it takes a lifetime Extended riff
