

CAN'T LET GO

G C G D C G x2 (drums in on second set)

G

Told you, baby, one more time
Don't make me sit all alone and cry

D7 C G
Well, it's over I, know it but I can't let go

I'm like a fish out of water, a cat in a tree
You don't even want to talk to me
Well, it's over, I know it but I can't let go

Chorus over intro chords:

He won't take me back when I come around
Says he's sorry then he pulls me out
I got a big chain around my neck
And I'm broken down like a train wreck
Well, it's over, I know it but I can't let go

See I got a candle and it burns so bright
In my window every night
Well, it's over, I know it but I can't let go

You don't like to see me standin' around
Feel like I been shot and didn't fall down
Well, it's over, I know it but I can't let go

[Chorus] then [Guitar solo over two sets of chorus/intro chords]

Turn off the trouble like you turn off a light
Went off and left me, it just ain't right
Well, it's over, I know it but I can't let go

Around every corner, something I see
Brings me right back how it used to be
Well, it's over, I know it but I can't let go

[Piano solo over two sets of chorus chords]

[Chorus x 2]

It's over, I know it but I can't let go
It's over, I know it but I can't let go
It's over, I know it but I can't let go
