

WHEN I GO AWAY

F#m

Er-hearly in the morning
A-when the church bells toll
The choir's gonna sing

E- C#7 (late)

And the hearse will roll
On down to the graveyard
Where it's cold and gray

A

E

B

F#m

And then the sun's gonna shine through the shadows when I go away

Don't want no sorrow
For this old orphan boy
I don't want no crying
Only tears of joy
Gonna see my mother, gonna see my father

And I'll be bound for glory in the morning when I go away

E

F#m

I'll be lifted up to the clouds on the wings of an angel

E

C#7

There's only flesh and bones in the ground where my troubles will stay

F#m

See that storm over yonder It's gonna rain all day

A

E

B

F#m

But then the sun's gonna shine through the shadows when I go away

(I'm going home - Lift me up – No more troubles)

I'm going home - Lift me up – No more cryin')

I'm going home - Lift me up – No more trials)

Home to leave my worries in the graveyard

[Repeat first part]

Home to leave my worries in the graveyard

Home to leave my troubles in the graveyard

Home to leave my trials

And I'll be bound for glory in the morning when I go away

All my kin who love me

All my friends who care

Look beyond the dark clouds

We're gonna meet up there

When they lay me in the cold ground

Bow your heads and pray (Bow your heads and pray)

And I'll be bound for glory in the morning when I go away

And then the sun's gonna shine through the shadows when I go away

(I'm going home - Lift me up etc)

And I'll be bound for glory in the morning when I go away

And then the sun's gonna shine through the shadows when I go away

Ah, when I go away . . . to end.
